FCHS VISITORS

All Visitors Must First Register in the Office. Students are not to bring visitors to school. Some events are open to the public. Other events, such as after-school dances, parties, etc. are not open to the public. Parents are always welcome, but are encouraged to make an appointment to see a teacher or the principal. Parents/legal guardians are welcome to visit classrooms following advanced consultation and approval from Franklin Central High School building administrators – generally two full business days notice. Parents should check in and receive a visitor badge on the day of their scheduled visit. Guests/Former Students may not visit Franklin Central High School during the school day. Visitation after school hours may occur with administrative approval.

GENERAL INFORMATION

Before school, students may enter the building 20 minutes prior to the start of 1st period. At the conclusion of the day, all students must clear the building unless under the supervision of a teacher.

***A regular class schedule is used except when the need arises for one of the other types of schedules. A change in class scheduling will be posted. Tardiness because of a schedule change is unexcused.

ATTENDANCE

When a student is going to be absent the parent must use the Skyward Family Access application. We encourage parents to download the Skyward App.

Failure to report a student absent within 24 hours will result in the absence being unexcused.

The School Board, as an agency of the State, is required to enforce regular attendance of students. The Board recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel.

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

Attendance shall be required of all FTCSC students, except those exempted under other provisions of State law, during the days and hours that the school is in session.

Exceptions to compulsory attendance that shall be recognized by FTCSC as provided by state statute are:

- A. service as a page or honoree of the General Assembly (I.C. 20-33-2-14)
- B. service on a precinct election board or helper to a political candidate on the date of an election (I.C. 20-33-2-15)
- C. subpoena to appear in court as a witness in a judicial proceeding (I.C. 20-33-2-17)
- D. service in active duty with the National Guard for not more than ten (10) days (I.C. 20-33-2-17)
- E. participating as a member of the Indiana wing of the civil air patrol for not more than five (5) days (I.C. 20-33-2-17.2)
- F. participating in an educationally related non-classroom activity which is consistent with and promotes educational philosophy and goals of the school corporation, facilitates the attainment of specific educational objectives, is part of the goals and objectives of an approved course or curriculum, represents a unique educational opportunity, cannot reasonably occur without interrupting the school day, and is approved in advance by the school principal (I.C. 20-33-2-17.5)

For any of these exceptions a student shall not be recorded as absent from school.

The Superintendent shall require, from the parent of each student or from an adult student who has been absent for any reason, a written statement of the cause for such absence. The Board reserves the right to verify such statements and to investigate the cause of each:

- A. single absence;
- B. prolonged absence;
- C. absence of more than two (2) days' duration;
- D. repeated unexplained absence and tardiness

The Board considers the following for excused absences:

- A. illness verified by a note from the parent
- B. illness verified by a note from a physician
- C. recovery from accident
- D. required court attendance
- E. professional appointments – Parents are encouraged to schedule medical, dental, legal, and other necessary appointments other than during school hours. When appointments are necessary during the school day, the student shall report back to school immediately after the appointment with a signed statement from the doctor, dentist, lawyer, counselor, etc.
- F. death in the immediate family
- G. observation or celebration of a bonafide religious holiday in accordance with Policy C175
- H. such other good cause as may be acceptable to the Superintendent or permitted by law

An unexcused absence is any absence not covered under the definition of excused absence or an exception to compulsory attendance. An out of school suspension shall not be considered an unexcused absence.

Repeated instances of unexcused absences may result in disciplinary action up to suspension or expulsion of a student.

Truancy is defined as absence from school without permission of the parent.

The Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school to an intake officer of the juvenile court of the Department of Child Services.

The Board shall consider each student assigned to a program of other guided learning experiences, authorized under Policy C175, to be in regular attendance for the program provided that s/he reports daily to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

The Superintendent shall develop administrative guidelines for the attendance of students which:

- A. ensure a school session which is in conformity with the requirements of the law;
- B. ensure that students absent for any excusable reason have an opportunity to make up work they missed;
- C. govern the keeping of attendance records in accordance with the rules of the State Board;
- D. ensure that any student who, due to a specifically identifiable physical or mental impairment, exceeds or may exceed FTCSC's limit on excused absence is referred for evaluation for eligibility either under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973.

Such guidelines should provide that a student's grade in any course is based on his/her performance in the instructional setting and is not reduced for reasons of conduct. If a student violates the attendance or other rules of the school, s/he should be disciplined appropriately for the misconduct, but his/her grades should be based upon what the student can demonstrate s/he has learned.

The Superintendent shall ensure that the administrative guidelines on attendance properly address the matter of truancy by including a process which:

- A. identifies the habitual truant, that is, a student who is chronically absent by having unexcused absences from school for more than ten (10) school days in one (1) school year;
- B. investigates the cause(s) of his/her truant behavior;
- C. considers, when appropriate, modification of his/her educational program to meet particular needs which may be causing the truancy;
- D. ensures that truant students are disciplined in accordance with FTCSC's policies and administrative guidelines on student discipline;
- E. provides for the reporting to the Bureau of Motor Vehicles those students who have been suspended for the second time during a school year, expelled or excluded for misconduct.

If the illness or absence from school will be longer than two days, we ask that students email their teachers or check individual teachers Canvas pages.

THE MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

ATTENDANCE POLICY FOR STUDENTS EARNING HIGH SCHOOL CREDITS

Franklin Township Schools encourages all students to attend school daily. The Indiana Department of Education defines a "model attendee" as a student whose attendance rate is greater than or equal to 94%. Students who fall below 90% attendance are considered habitually truant. Student attendance will be reviewed frequently by the Administration. Appropriate consequences may be issued if a student's attendance rate falls below 90%, which may include a loss of credits. Student attendance will be reviewed by the Administration and a meeting will take place between the student and the Assistant Principal or Dean to discuss strategies for improving attendance. Appropriate consequences may be issued at that time. Students that continue to accumulate absences will need to provide documentation and there may be a loss

of credits.

LATE TO SCHOOL

Arriving late to school is disruptive to the educational process and is considered to be a serious matter. Whenever a student arrives late to school, s/he should report directly to the attendance office. Students are to sign in on the late arrival form located in the attendance office and will receive a pass to class.

A student who arrives late to school four (4) or more times (PER NINE-WEEKS) will begin to receive disciplinary consequences. Some examples of unexcused reasons include: car trouble, missing the bus, headaches, not feeling well, oversleeping, school closing assumptions, personal business, power outage and transportation related issues, etc. Medical issues that result in a child being habitually tardy for school would require medical documentation from the attending physician to be marked as excused.

- If tardiness exceeds three (3) in number during the NINE WEEKS, the school will submit a warning notice to the parent/guardian.
- On the fourth (4th) and fifth (5th) tardiness to school during the NINE WEEKS, an After School Detention (ASD) will be assigned.
- On the sixth (6th) and seventh (7th) tardiness to school during the NINE WEEKS, a Friday Night School (FNS) after school Friday will be assigned.

Failure to respond to these measures (continued tardiness) may result in out-of-school suspension.

TARDINESS TO CLASS

A student is considered tardy to any class when s/he arrives after the passing period bell, without a valid excuse, and within the first 10 minutes of class. Arrival after 10 minutes will be considered excessive tardiness and may result in further disciplinary actions.

- If tardiness exceeds three (3) in number during the nine weeks and the teacher has applied corrective measures, the teacher will submit a tardy referral to the attendance office showing the number of tardies, the dates of the tardies, and the corrective measures which were attempted.
- After the student has been properly referred, the student will be assigned a detention for each of the fourth (4th) tardy and fifth (5th) tardies. For each of the sixth (6th) and seventh (7th) tardies, the student will be assigned a Friday School, ISI, or OSS

Failure to respond to these measures (continued tardiness) may result in out-of-school suspension.

TARDINESS OF STUDENTS WHO DRIVE OR RIDE TO SCHOOL

Students who provide their own transportation to school or ride to school with others who are tardy will be required to correct the problem. Failure to comply with this requirement could result in loss of driving privileges and/or suspension from school.

Car problems, bad weather, oversleeping and difficulties of a similar nature will NOT be excused. It is the responsibility of the students to assure that they arrive to class on time.

HALL FREEZE

Franklin Central High School reserves the right to conduct "Hall Freezes." The guidelines for Hall Freezes are as follows:

1. Students not in the classroom when the bell rings will be directed to the cafeteria.
2. Each tardy student will be automatically assigned a detention. Failure to serve the assigned detention will result in a more severe consequence.

PREARRANGED ABSENCES

Permission to participate in school sponsored field trips, college visits, religious events, educational activities, trips with the immediate family, and other special activities which require a student to be absent from school may be granted if they are prearranged, fully documented in writing, and approved by the principal or designee. The principal's decision to

grant permission for the student to be absent from school without penalty will be based on the following:

1. The overall attendance record of the student
2. The overall academic record of the student
3. Is the absence at a time convenient for both the student and the school?

These absences must be arranged well in advance by the parent/guardian and fully documented before they can be approved by an administrator.

Prearranged absences will NOT be granted during weeks before and after fall, winter and spring recesses if such absences include the day before or after either holiday period. NO prearranged absences will be granted during the week of final exams.

PROCEDURE TO LEAVE SCHOOL

A student is expected to be in school all day and to do a full day's work. **When a student is going to leave early, the parent must use the Skyward Family Access application.** Requests must be made prior to a parent arriving at school. Otherwise, a student will be sent for upon parent/guardian arrival for pickup.

Students leaving school during the school day must sign out in the Attendance Office. Parents/Guardians picking up students need a valid picture ID (e.g., driver's license). A record will be kept of the student's name, date, the time leaving school, and the time the student returns to school. In case of an emergency, the main office will notify the teachers. Student drivers will be permitted to leave, however, students must still check out with the attendance office.

DENTAL AND MEDICAL APPOINTMENTS

When a student has a dental or medical appointment, parents must enter the appointment using the Skyward Family Access application. The student, upon return to school, must bring a note from his/her health care provider verifying the appointment. Medical and dental notes must be turned in to the attendance office within two (2) weeks in order to fully excuse the absence. Students must sign out/in through the attendance office.

MINIMAL ATTENDANCE FOR PARTICIPATION IN ACTIVITIES

Students must be present at school a minimum of four (4) periods of the school day to participate in his or her next extra-curricular activities event. Truancy during any part of a school day is cause for loss of participation in extracurricular activities.

WEATHER EMERGENCY PROCEDURES

Parents/guardians will be called using [ParentSquare](#), an automated calling system, if we close or delay school. You could also listen to local radio and TV stations when inclement weather is predicted. All school closings, for any reason, will be reported to the local radio and television stations, as well as posted on the FTCSC Facebook, Instagram, and Twitter pages as soon as the decision has been made by the Superintendent of Schools. Please do not call the school unless it is an emergency. Decisions of this nature are not made at the building level. Only the Superintendent has the authority to close schools for a regularly scheduled school day. The Superintendent may also decide to delay school for one or two hours instead of canceling the entire day. This information will also be reported over local radio and TV stations, as well as on the township's Facebook page and Twitter. Please remember that we are FRANKLIN TOWNSHIP COMMUNITY SCHOOLS CORPORATION (FTCSC) and NOT Franklin Community Schools in Franklin, IN. Every Franklin Township family should prepare plans for school delays, closing, or early closing of school due to an emergency. Working parents should make the necessary arrangements for the welfare of their children in the event that any of these scenarios would occur. The early closing plans should be documented on the Emergency Release Form filled out at registration. If you do not wish to receive ParentSquare messages, you may notify the school district by calling 317-862-2411. It may take up to five business days to process the request.

HABITUAL TRUANT

Students who fall below a 90% attendance rate or accumulate ten (10) or more unexcused absences in one school year are considered to be a "habitual truant." Habitual truants are ineligible for driver's license or learner's permits under IC 20-33-2-11. Habitual truants may also be expelled from school according to the Franklin Central Student Conduct Code.

NEW STUDENTS

The Principal or designee shall review the attendance and discipline records of a newly enrolled student from the

student's previous school(s) and shall treat documented absences or misbehavior as if they had occurred in FTCS.

FINAL EXAMS

Each student in attendance shall have the opportunity to take final exams. If a student misses a final exam due to an absence, a zero will appear on the report card for the final exam grade and the grade will be calculated accordingly. The student may come in to make-up the final exam. The teacher will then recalculate the grade with the final exam score. All final exams must be made up within five school days unless an alternative plan has been made with the individual teacher. No semester exams will be given early due to test security.

COLLEGE VISITS

While FCHS encourages students to take advantage of college visitations, they should be planned for school breaks, holidays and/or weekends whenever possible in order to avoid school absences. Up to two college visits will be permitted each year for juniors and seniors. Once the college visit is complete documentation should be provided to the Attendance Office (within 24-48 hours) and the absence will be changed from excused to a field trip.

STUDENT SERVICES

SCHOOL COUNSELING DEPARTMENT

The goal of the Franklin Township Counseling Department is to provide a comprehensive, developmental counseling program addressing the academic, career and personal/social development of all students. The school counselors at Franklin Central are professional student advocates who provide support to maximize student potential and academic achievement. The Counseling Department will make every effort to ensure that all students have a successful academic career by helping students overcome personal and social problems that interfere with student learning and school attendance. Counselors will facilitate communication with parents, teachers, students and community agencies to enhance student success.

The Counseling Department will serve students and parents through programs that address educational assessment, career development, scholarship opportunities and college selection. Counselors will meet frequently with students to help them take full advantage of school programs and activities, thereby allowing them to become the most sought after graduates by colleges, universities, and the world of work.

GRADING SYSTEM

B+	89-87	C	76-73	D-	62-60
B	86-83	C-	72-70	F	59

For purposes of eligibility, honor roll, GPA, and class ranking, the following grade-point values will be used: A (4.0), A- (3.667), B+ (3.333), B (3.0), B- (2.667), C+ (2.333), C (2.0), C- (1.667), D+ (1.333), D (1.0), D- (.667), F (0). For GPA and class ranking, weighted semester grades of C- or better will gain an additional .667 grade points.

HONOR ROLL

Honor Roll is determined each grading period using the student's unweighted semester GPA. Students must be enrolled in five (5) solid subjects before being eligible for Honor Roll. Any grade lower than a C- disqualifies a student from Honor Roll.

High Honor Roll
Honor Roll

A average for grading period
B average for grading period

GRADE POINT AVERAGE and CLASS RANK

GPA and class rank are calculated using a student's weighted semester grades. Weighted grades of C- or better receive an additional 0.667 grade points in these calculations. Students will receive a final GPA and class rank after they have completed eight semesters of school and graduated.

ACADEMIC AWARDS

Students with a cumulative GPA of 3.7 or higher after 3 semesters will be awarded Franklin Central academic numerals. Students with a cumulative GPA of 3.7 or higher after 5 semesters will be awarded a Franklin Central academic letter - after 7 semesters students will be awarded a gold bar.

VALEDICTORIAN and SALUTATORIAN

The valedictorian and salutatorian of the graduating class will be determined by grade point average and class rank at the end of seven semesters.

HOMEWORK POLICY

Research has shown that student achievement rises significantly when teachers regularly assign homework and students conscientiously do it. Parents of Franklin Central High School students may expect students to have homework assigned daily. We believe that students' completion of daily homework must be of highest priority with both parents and students. Students must assume primary responsibility (checking Canvas) for completion and/or make-up of homework assignments.

CHANGE OF SCHEDULE

Change of schedule days are assigned and given to students during the scheduling process. After early June, approved schedule changes will be made only for the following reasons:

- computer error
- conflict in the student's schedule
- level placement error
- medical grounds
- other exceptions, as approved by an administrator

GRADUATION POLICY

To receive a high school diploma, a student must have satisfactorily completed the graduation requirements as set forth by the Indiana Department of Education and Franklin Central High School. Seniors will be allowed to participate in the commencement ceremony and receive a diploma ONLY if they have earned credit in ALL required classes (minimum 43 credits) AND have passed all required End of Course Assessments or have completed an Alternative Graduation Pathway as set forth by the Indiana Department of Education. Students earning credit in all required classes (minimum 43 credits) who have not passed all required End of Course Assessments or Pathway may participate in the commencement ceremony and receive a Certificate of Completion.

XELLO

Xello is a college and career readiness program that helps students understand their learning styles, strengths and interests in order to find possible career matches. Xello provides students with current and relevant career information such as expected salaries and training needed. It also provides data on colleges and connects students to campuses all over the country through virtual tours. Through guided lessons and counselor interaction, Xello also helps students develop graduation plans that lead to employment, enlistment or enrollment in post secondary programs. Xello is an interesting and engaging tool for students and their parents/guardians to utilize.

CREDIT RECOVERY

Students may be assigned to the Credit Recovery lab for the purpose of re-taking a course that they have previously failed. Assignment is given only with approval of the Franklin Central Counseling Department.

SUMMER SCHOOL

When available, students may consider attending summer school for credit recovery in order to keep the student on track to graduate. Students registering for summer school at another school must first obtain approval from their counselor before enrollment.

ON-LINE COURSES

In certain circumstances, students may take approved on-line courses to apply toward their graduation requirements. Permission to take on-line courses must be granted by the principal/designee prior to taking the course.

POSTSECONDARY CREDIT

Under certain circumstances, students in grades 11 and 12 are allowed to take classes at an accredited college or university and also receive high school credit. Information about this option is available from counselors.

SKYWARD FAMILY ACCESS

All parents/guardians will be granted access to the Skyward Family Access Application where they can check attendance, grades, missing assignments, pay fees, and more. We encourage parents to download the Skyward App.

STUDENT CUMULATIVE RECORD

Franklin Township Schools maintain complete and up-to-date records on all students. The Family Educational Rights and Privacy Act (FERPA) of 1974 deals with the right of privacy of student records.

1. It provides parental access to their children's records until the child is eighteen years of age.
2. It provides for a hearing in which parents may challenge the contents of such records.
3. It spells out who may have access to records without parental permission and when parental permission is required.
4. It allows student records to be sent from one school system to another.

SERVICES FOR STUDENTS WITH SPECIAL NEEDS

Your school is responsive and ready to meet the needs of unique learners who attend there. We have building-based intervention teams designed to coordinate the school staff in meeting the needs of all students. With guidance and support from the administration of FTCSC, our schools provide special education services as determined appropriate by the case conference committee. Although not every building with FTCSC provides the full continuum of special education services, FTCSC has the full continuum available within the district. If you have any concerns about your child or questions about their necessary special education services, please contact the building principal.

RELEASE OF STUDENT INFORMATION TO A NON-CUSTODIAL PARENT

The Family Educational Rights and Privacy Act (FERPA) of 1974 mandates that the school protect the privacy of its students and their educational records, however, a non-custodial parent shall be entitled to receive a copy of his/her child's report card and given access to the child's educational record, subject to the following conditions: the custodial parent has not provided the school with a copy of the divorce decree, which specifically prohibits the non-custodial parent from having contact with or information about the child.

ENROLLMENT/WITHDRAWAL FROM SCHOOL

Families new to FTCSC will need to sign up for and complete the new student registration form via our Skyward Family Access Portal. This enrollment information provides the school with valuable information and provides us a way to contact you in the event of a problem or emergency. If any change regarding this information occurs during the school year, please notify the school. We would appreciate you keeping us up-to-date on current phone numbers, addresses, etc. All students enrolling for the first time in an FTCSC school will need to provide the school with a birth certificate (a copy is acceptable) and up-to-date immunization records. Students **must** have immunization records on file. Additionally, families will need to complete an annual update form via the same portal. Per Board Policy C100, FTCSC does not accept the transfer of any student who does not have legal settlement within the township borders.

Parents who need to withdraw a child from school should give the school two days notice before the date of withdrawal. The student or parent must notify the appropriate school counselor so necessary preparation can be taken. All media center materials must be returned to the Media Center and any debts must be paid. In order for the school to forward a transcript to the school in which the student intends to enroll, it is necessary for parents to sign a release of information form before a transcript of grades can be released. Textbooks and rental devices will be returned to the designated

school employee. If there is any refund of book rental or fees, parking permits returned will be taken care of at that time. Students will be given a withdrawal form to take to the new school.

ACCESS TO STUDENT RECORDS

A “student’s record” consists of all official records, files, and data directly related to a student and maintained by the school, intended for school use, or to be available to parties outside the school. Such record encompasses all the material incorporated in the student’s cumulative folder and includes but is not limited to general identifying data, records of attendance and of academic work completed, records of achievement in the school curriculum and on standardized achievement tests, results of other evaluative tests (including intelligence, aptitude, psychological, and interest inventory tests), school discipline and health data.

1. Students may obtain copies of their transcript at no charge through August of their graduation year from Parchment.com. Transcripts can easily be sent to any college, employer, coach, scholarship etc. with an email.
2. After that time, they will be charged a fee of \$6.25 for each transcript.
3. Such records shall be the property of the school system. Access to, correction, and disposition of student records is governed by the following policy
 - a. Right of Access. A parent/guardian of a student who is under age of eighteen (18) years and is either currently enrolled in, or the student’s records are otherwise maintained by, the school system, has a right to inspect and review such student’s record or any part thereof.
 - b. Manner of Exercising Such Rights. Such rights shall be exercised by presenting a written request to the office of the superintendent or his/her designee. The request shall specify the specific records which the parents wish to inspect or examine. In the event the school cannot determine the exact records as described, the designated school employee will immediately contact the parents by letter to determine the desired scope of records to be inspected. Such inspection shall be made during reasonable business hours determined by mutual agreement between the school employee and the parents, but in no event shall be more than ten (10) school days after submission of the written request. A school official shall be present during any such inspection to assist in the interpretation of the records where they reasonably require professional interpretation.
 - c. Records Involving More Than One Student. Where the records requested include Information concerning more than one student, the parents shall either receive for examination that part of the record pertaining to their child, or where this cannot reasonably be done, be informed of the contents of that part of the record pertaining to their child.
 - d. Students Over 18 Years of Age. Whenever a student has attained eighteen (18) years of age, or is attending an institution of postsecondary education, the permission or consent required of and the rights accorded to parents under this policy, shall thereafter only be required of and accorded to the student.

STUDENT SAFETY

EMERGENCY STANDARD AND RESPONSE PROTOCOL

Emergency Drills

- Emergency drills will be held each month of the school year. Students are to follow the directions of the staff; every emergency drill must be regarded as the “real thing” by students and staff. The necessity of a drill is to form habits, which will avoid panic in case of a real disaster.
- The signal for evacuation, or an evacuation drill, is a continuous sounding of the fire buzzer until the building is vacated.
- When the evacuation alarm sounds, all persons must leave the building according to the building evacuation plan. Each student should know the proper exit from the classroom to the outside for every room in which he/she has classes. Directions for drills are posted in every room.
- At the first sound of the fire buzzer, students must form into lines and clear the building as quickly as possible. Students will walk, NOT RUN, when leaving the building. Silence should be maintained during the fire exit to

permit proper instructions.

- Teachers should designate a responsible student to close all windows and turn off lights in the classroom. Teachers are expected to check for clearance from their areas and evacuate the building with the students. Classroom doors should be closed but not locked. Teachers should take a class roster with them when leaving the building so attendance can be taken when students are reassembled outside.
- Upon leaving the building, classes should move away from the exits a distance of at least 100 feet where conditions allow. This will prevent the blocking of exits and will allow room for the operation of firefighting and other emergency equipment.

Tornado Drills/Shelter

- The signal for a tornado warning is a distinct siren warning sounded through the P.A. system. Each student should know the proper exit from the classroom to the evacuation area for every room in which he/she has classes.
- Rules governing tornado drills are as follows:
Students are to be quiet when leaving the room and remain quiet until they arrive back in the room.
- Students are to walk in single file to their destination.
 - Teachers are to direct their class to their designated area and remain with them.
 - Teachers will make sure there are no students located near glass.
 - Students are to assume the American Red Cross Tornado Safe Position.
 - Students are to walk back the same way as they came from the room.

Other Disaster Drills - Other emergency drills may be conducted throughout the school year.

Restraint & Seclusion - Every effort will be made to prevent the need to restrain or place students in seclusion. However, FTCSC recognizes that at times it may become necessary for employees to use restraints and/or seclusion when there is an imminent risk of serious physical harm to the student or others. FTCSC's full seclusion and restraint plan can be found under board policies at www.ftcsc.org.

HEALTH SERVICES

CLINICS

Health services include programs, services, and activities that provide for a healthy environment, thereby promoting and protecting the health, learning, and well-being of all students. The school nurse clinics are available for emergencies, injuries, and illnesses that arise while the child is at school, in addition to management of chronic illnesses and special needs. Each FTCSC clinic is staffed with a Community Health Network nurse (RN or LPN), provided at no cost to the school district. Nurses do not make medical diagnoses. Nurses are skilled in assessment, data collection, planning, intervention, evaluation, wellness promotion, health education, prevention, emergency care, referral, and communicable disease surveillance.

School nurses may provide non-emergency first aid treatment, emergency care, and conduct health screenings to any student. A Consent to Treat form is available during both the new and returning student online registration process. The Consent to Treat form must be filled out for any additional medical services, including medication administration, chronic health management, additional medical services not listed. The Consent to Treat form is also available on the FTCSC website under "Health Services." Please speak with the nurse at the school if you have questions about the consent form or if you require a paper copy. If a parent does not wish for the nurse to provide services to a student, a letter must be provided to the clinic opting out of services.

The clinics are open daily during school hours. Students must have a pass to enter the clinic. Those without a pass will be sent back to class to obtain a pass unless there is an emergent need. The student will be asked the nature of the complaint, may have his/her temperature taken, and may be allowed to rest for a short period of time. Please remember that time in the clinic is time out of class and instructional time is being lost. The nurse will send students home who display outward signs of illness. The nurse will call the phone numbers on file if the nurse feels the student is too ill to be at school, or if a symptom of illness below presents during the school day. It is essential that phone numbers provided to the school are current and up to date. If the nurse is unable to reach a contact, the student will be sent back to class, unless there are signs of a contagious illness. If the student has an emergent or urgent health need and/or the parent or other contact cannot be reached, EMS may be contacted.

ALLERGY PRECAUTION

Due to allergy precautions, latex balloons and latex gloves are NOT to be utilized within any FTCS building.

ILLNESS

General guidelines for illness follow the guidelines, laws, and recommendations of the IN Department of Health, the Marion County Health Dept., Community Health Network, and Indiana Code to prevent the spread of communicable disease. When the nurse calls the parent to pick up the child, it is in accordance with these laws and directives and the public health setting of school. Parents should make every effort to come to the school to pick up their students in a timely manner. Bus transportation cannot be utilized if the child exhibits symptoms of a contagious illness.

Please do NOT send your child to school if one or more of the following symptoms are present: diarrhea, vomiting two or more times in a 24-hour period, undiagnosed body rash, sore throat with swollen lymph nodes, severe coughing, eye discharge and redness, or fever of 100 ° or more. Please do NOT send the child back to school until he/she has been fever-free (without fever-reducing medications) and with no vomiting/diarrhea for 24 hours. Antibiotics prescribed for eye or throat infections must be given for 24 hours before the student returns to school. The school nurse will contact a parent/guardian for pick up from school if any of the above are present during the school day. The school nurse may request a doctor's note to return to school if there are symptoms of communicable disease. This will help prevent the spread of infection to others and ensure that the student is feeling better to learn. Students who have had surgery, may be asked to provide a doctor's release to return to school.

INJURY

Students who are injured at school should report to the clinic to be assessed at the time of the injury. If a student has a deep laceration, cannot walk, has extreme swelling or pain, obvious deformity, head injury, or any other sign of an emergent/urgent need requiring further evaluation, the nurse will determine the best course of action for the situation. This may include a call for a parent/guardian to pick up, or a call to EMS.

The clinics possess wheelchairs for emergency response by school staff only. FTCS cannot provide a wheelchair or any other medical supplies or devices which may be necessary for student injuries or recuperation from surgeries, this includes: crutches, dressing supplies, wraps, splints, etc. Parents should contact their healthcare provider or insurance carrier if these devices are needed beyond the school's initial response.

MEDICATIONS

Medication given for the academic success of students, or other medications given for acute or chronic conditions may be administered by the school nurse. All medications must be provided by the parent/guardian. Any medication that is necessary to be administered during the school day must be brought to the clinic by a parent or guardian. Students are not allowed to transport medications unless they have a consent to self-treat form on file for emergency medications. Medication administration forms are available at each school and online and must be filled out for each medication. Medication forms must be filled out and signed by the parent before a medication may be administered by the nurse. Medications that are prescribed for once, twice, or three times daily administration should be administered at home when all possible. Please consult with your nurse if it is necessary for one of these medications to be administered during the school day. Prescription medications must have the current prescription label with the student's name attached to the medication.

Per Indiana Code, all medications must be in the ORIGINAL containers. For the safety of your student, medication received in a baggie or envelope cannot be given. More than a 4-week supply of medication should not be brought to the school, as controlled substances are counted daily by nurses, and upon receipt in the clinics. Expired medications and prescriptions with a label more than a year old will not be accepted.

Over-the-counter (OTC) medications provided by the parent may be stored in the clinic to be given by the school nurse. A signed medication consent form must be filled out for each medication. The label on an OTC serves as the guideline for dosing and frequency, including appropriate duration before a doctor is consulted. If the parent desires a dose or schedule that is different from the label, a physician's order shall be necessary for administration. If cough drops are needed, we suggest supplying a hard candy to be substituted for the same effect. This allows the student to remain in the classroom during educational time.

Students less than 12 years of age must have age-appropriate children's medication. Aspirin cannot be given to students,

due to risk of Reye's syndrome—please check labels of various pain relievers and stomach medications to make sure aspirin, salicylates, or bismuth are not ingredients. Supplements, Vitamins, Non-FDA approved medications, and essential oils are not appropriate for school and will not be dispensed by the nurse. Medication policy is available online.

A physician's order and signed permission to self-carry form is necessary in order for an emergency medication prescribed for life-threatening conditions to be carried and administered by a student during the school day. Examples are Epi-pen and Albuterol. We recommend keeping an additional supply in the clinic in case of student need. Emergency medications that are controlled substances will be kept in the clinic.

LICE

Students who exhibit scratching or evidence of live bugs in the hair may go to the school clinic for evaluation by the school nurse. The school nurse will examine the student's hair and scalp in a confidential manner.

If live lice (crawling bugs) are visualized, the parent/guardian shall be contacted by phone. Factors such as the severity of infestation, child's age, or other health concerns influence professional judgment regarding parent pick up and recommendation of treatment options.

If nits only are visualized, the student may remain in school and the parent will be notified of need for treatment by the end of the school day. Nits closer than ½ inch from the scalp may be viable and require parental action at home.

Once confirmed, students with live head lice must be cleared by the nurse in order to return to school. Students should be brought to the clinic by the parent after treatment to be cleared prior to their return to the classroom. School Nurses may offer educational assistance with strategies for prevention and ways to enable the student to return to school as soon as possible.

MISCELLANY

In the event that Indiana Poison Control is consulted, the instructions received shall be absolutely followed by nurses/school personnel, to include emergency transport.

It is the parent's responsibility to provide any student-specific supplies that are needed on a regular basis at school. This includes dressing supplies for injuries beyond initial first aid, supplies of clothing, hygiene items, equipment/supplies/food for any type of special need, etc.

Immunization records are reviewed at the time of enrollment and throughout the school year to keep accurate compliance rates in the school. Per Indiana state law, students must be up to date with required immunizations prior to the first day of school. Parents will be informed about changes in state laws pertaining to immunizations prior to the start of each school year. All students must meet state requirements for immunizations. Students may be excluded from school if immunizations are not up to date. Please contact your building nurse for further information.

All students are expected to be independent in caring for their toileting needs, and will be given the necessary items to clean themselves in case of an accident. Parents of young students are encouraged to provide spare items in the student's backpack.

Extra clothing will be provided when available and should be laundered and returned to the school when lent out. If clothing is not available, the nurse will contact the parent to provide clothing.

Vision (grades 1, 3, 5, 8) and hearing (grades 1, 4, 7, 10) screenings take place during the year and are performed by the school professional staff, eye doctor, or health department. Referrals for follow-up are mailed to the home. Parents should make every effort to act promptly if a referral is received, as vision and hearing deficits greatly impact educational performance. The handbook shall serve as notice that screening will occur. Check buildings' calendars for specific dates.

BUS REGULATIONS

PERMANENT BUS STOPS

- Permanent bus stops will be established by the Franklin Township Community Schools and are subject to change by (FTCSC) Transportation Office. Bus stops will be published annually and made available to the community via the FTCSC website. Bus stops will be located on publicly serviced roadways. Buses will NOT load/unload students at businesses, parking lots, or areas deemed unsafe by the Transportation Department. Students must use the bus stop assigned to them.
- FTCSC cannot send buses into new neighborhoods under construction until buses can get through safely.
- Students and parents are required to ensure the safety of all individuals to and from the bus stop and while waiting for the bus.
- Students that do not reside in a neighborhood but reside off of a main roadway will be picked up at their driveway.
- **Bus drivers are not authorized to change, edit, or add bus stops to their route. Please do not approach the driver at the bus stop. Requests or concerns are handled by the FTCSC Transportation Office.**
- Students need to be at their scheduled bus stop at least 10-minutes prior to the time scheduled.
- Addresses must be kept updated with registration at the student's home school. Transportation cannot change addresses.

CUL-DE-SACS/COURTS/DEAD END ROADWAYS

- FTCSC will not allow its buses to travel down cul-de-sacs, courts, or dead end roads due to inherent risk. Exceptions are made for special needs buses.
- Buses will not use driveways to turn around.

BUS ROUTES AND CHANGES

The change must be permanent and a consistent daily pick-up or drop-off location (no variant day/week locations will be approved). In order to provide a safe and secure experience for our students, **FTCSC is unable to temporarily alter a student's scheduled stop location** and or route. This ensures that all students will be picked up and dropped off at the appropriate time and location. In addition, this allows FTCSC to maximize bus capacity and routing efficiencies. Transportation can only provide rides to and from the assigned bus stop. Please do not send notes to the school, give notes to the drivers, or contact the transportation office with requested changes as they will be unable to assist and may create confusion. Thank you for your understanding on this matter.

- Bus routes will be designed to utilize the maximum capacity rating for each bus. Routes will be designed and built for students to ride to and from their assigned stop based on their home address or daycare provider
- If you are using a daycare provider please use the **Pick-up/Drop-off Information Form**, which is available at school offices, and CTEC (Administration Office on Franklin Rd) and on our school web page. This form may be turned into the school office or faxed to the Transportation Office at 317-803-5070 or emailed to transportation@ftcsc.org. Changes may take up to 3-5 days to process. Parents/Guardians should have a back-up plan in place until services are altered to accommodate requests. **No changes may start until approved, authorized, and scheduled by the FTCSC transportation office.** Once the request is approved the Transportation Office will notify the bus driver and guardian of the student with the start date and routing information.
- Due to bus capacity and routing efficiencies, students will NOT be able to use multiple bus stops or day variant scheduling. We do not issue bus passes or honor requests from parents.
- There may be times routes may need to be consolidated to account for shortage of drivers or situations unforeseen by the transportation office.
- In the event the transportation department changes a bus route and the times are altered more than +/-10 minutes students and parents will be notified via letter and/or email indicating the schedule changes at least 3 days prior.
- One week prior to school starting bus route information will be available on the FTCSC website; www.ftcsc.org. Use the login and passwords provided on that page. In the event last minute changes may be made it is recommended to double check the night before school starts.
- Franklin Township CSC Transportation Facebook page will have a posting of changes along with daily notices of buses running later than 10 minutes.

BUS STOP ETIQUETTE

The bus stop is considered school property. Students and parents are to respect the property where the bus stops are located. Individuals are not to damage or vandalize the property where the bus stops are located. Failure to comply may result in a loss of riding privileges.

LOADING AND UNLOADING SAFETY

- Students are to wait at least 10 feet away from the curb and in a straight line while waiting for the bus.
- Students that are required to cross the street must cross in front of the bus, ONLY after the driver has activated the red warning lights, stop arm, and they are indicated by the driver that it is safe to cross.
- Students are NOT to cross behind the bus. Due to the severity of the safety risk, students that cross behind the bus may lose riding privileges.
- Students are to be at their bus stop ready to board the bus at least 10 minutes prior to scheduled pick-up time. Students that are not at the bus stop and visible to the driver may be missed. Buses will not be sent back to retrieve students that missed the bus.
- If a student misses the bus they are NOT to chase, follow, or board the bus at any other location other than their assigned bus stop. Doing any one of these can be extremely dangerous and can result in serious injury or death. Students chasing buses or boarding at a different stop will receive a one-day suspension.
- Students at the bus stop should not engage in any horseplay. Pushing, shoving, chasing, etc.

CONTACT

In order to maintain bus routes running in an efficient and timely manner, we request that all communication be handled through the Transportation Office and not at the bus stop. In the event you need to get a hold of your child's bus driver to discuss a disciplinary concern, bus times, or items related to the bus ride please contact the Transportation Office (317-862-2314) and a message will be left for the driver.

BUS SAFETY DRILLS

Throughout the school year students will participate in bus safety drills. The dates will be posted online. This program is to help assist students in the education process of understanding their role and what to do in the event the bus needs to be evacuated.

- Students will be taught how to evacuate, where to evacuate, and how the emergency exits operate.
- Students shall dress accordingly on these dates as they will be evacuating out of the bus through the front, middle, or rear exits.

CARRY-ON ITEMS

Carry-on items must fit the following criteria:

- Fit on top of student's lap
- Sit below the lower window level
- Are not to interfere with other students sitting in their seats.

- Students are not to bring toys, speakers, collectible cards, laser pointers, balloons, or other distracting items to school or onto the bus. Headphones must be used when listening to music on an electronic device. Students must have one ear uncovered to hear info from the bus driver. Any items needed for a school project, etc. should be kept in the students' back pack. Items that do not fit in the backpack or do not meet the above criteria, may not be transported. Students are asked not to bring blankets on the bus to school. FTSC is not responsible for loss, damage or theft of electronic devices or other items brought onto the bus. Drivers may have additional policies per their own discretion. Videos and photos are NOT to be taken on FTSC buses.

BUS RULES

The bus is an extension of the school therefore students are expected to follow the same rules that apply in a classroom. In addition, students are expected to follow the Bus Discipline Plan listed below: Failure to follow the Bus Discipline Plan may result in a loss of bus riding privileges:

EXPECTATIONS FOR RIDING A FTSC BUS:

- Follow directions first time given
- Treat other riders with respect and consideration to safety
- Be at the designated stop prior to the bus arrival

- Go straight to the assigned seat and remain seated while the bus is in motion (use seatbelt if applicable).
- Keep all items in a bag that is small enough to be held in the lap. All items must be maintained in the space of your child's seat and may not be in the aisle or impede into the space of others.
- If allowed at your school electronic devices, food, gum or drinks are to be kept in the backpack.
- Be responsible for your belongings; items that could be lost, damaged or stolen are not the responsibility of FTCS.
- Ask before putting windows down.
- Keep your hands, feet and objects to yourself and inside the bus.
- Use kind words and talk with appropriate voice levels.

INFRACTIONS THAT WILL RESULT IN IMMEDIATE SUSPENSION FROM THE BUS:

- Verbal or physical abuse of students or staff
- Destruction or vandalism
- Possession of sprays, combustibles, tobacco, e-cigarettes/vapes alcohol, drugs or weapons (guns, knives, lighters, etc.)

Bus Discipline Action Plan

Please be aware that the following is just a guideline. Serious infraction may dictate a more severe action. When able, the driver will verbally warn the student and or move seats. After that the driver is instructed to follow the discipline plan as outlined:

1. WARNING: No time off the bus – Form sent home for parent awareness only
2. FIRST ACTION: One day off the bus- Form sent home
3. SECOND ACTION: 3-10 days off the bus - Form sent home
4. THIRD ACTION: Up to remainder of the school year off the bus - Form sent home

Any Form sent home will have two sheets. The white copy is for the parent/guardian to keep. **The yellow requires a parent/guardian signature and is your child's pass to get back on the bus.** This ensures the Transportation Department and school that you are aware of the incident. **FTCS staff will use all means possible to investigate discipline complaints. Video viewing is done by FTCS transportation staff and building principals/deans. However, to protect the privacy for ALL FTCS students we do not allow parents to view video.**

Parents may contact the Transportation Office at (317) 862-2314 with any transportation concerns.

STAR EXPRESS CHILD NUTRITION MEAL PROGRAM

Go to <https://ftcsc.org/nutrition-department> and <https://ftcsc.nutrislice.com> to find a more complete list of what your Child Nutrition program is doing for your students. Also available: menus, meal prices, nutritional data and requirements, payment options, charge procedure, allergy management, free & reduced meal application, Summer Servings, wellness policy, and contact information.

As a result of the USDA Nutrition Standards for the National School Lunch, five meal components are offered daily with a variety of choices in each category. Of those five components (Meat/meat alternative, grain/bread, fruit, vegetable, and milk), the students must choose at least 3 different components. Each student is required to take either a fruit or vegetable serving as part of the reimbursable meal and may take up to two fruits and/or two vegetables as part of their meal. Star Express offers breakfast daily and provides a variety of entrees that are whole grain-rich and packed with essential vitamins and minerals needed for everyday function. Four food items from 3 meal components are offered each day at breakfast. Of those four food items (Meat/meat alternative, grain/bread, fruit, and milk), the students must choose at least 3 different items. Each student is required to take the fruit or juice serving as part of the reimbursable meal.

Federal regulations require that meals are priced as a unit and no reduction is given if a student takes less than the offered items. Students are encouraged to take all of the items offered. In addition, a la carte items are available for purchase. The Child Nutrition department uses a computerized meal payment system. The district uses multiple options for student meal checkout including but not limited to; pin numbers, barcode scanners, class rosters, and biometrics. The system allows a student to make payments into his/her own personal account. Prepayments for meals are encouraged to reduce the need for frequent deposits and daily cash handling; however, he/she may still pay cash daily. Either cash or checks will be accepted for deposit. In addition, online payments can be made through EZSchoolPay.com with a debit or

credit card. EZSchoolPay is accessible through the district website. An account balance cannot be shared by different children in the same household. Money in a student's account may be used for complete meals and a la carte sales. The system allows one student meal for breakfast and one for lunch. All other purchases will be charged at a la carte pricing.

If a household chooses not to use EZSchoolPay, students paying by check/cash may drop off their deposit to the main office dropbox or to the Child Nutrition office by 9am Elementary students are to bring checks or cash in an envelope marked with the child's name and teacher's name on it and submit it to the classroom teacher each morning. Deposits are also accepted on the line. We request that you write the child's name on checks. Checks should be made payable to Franklin Township Food Service (FTFS). In order to expedite the line speed, a "no cash back policy" has been implemented at all schools. Any remaining cash paid at the register will go into the student's account instead of refunding it to them.

Eligible students may qualify for free or reduced-price meals. Applications are available online at the FTCS Child Nutrition website. Applications need to be completed annually for each school year.

Students may charge a full reimbursable meal (entrée, up to two fruits and/or two vegetables and a milk). Charges are not permitted for a la carte items.

Students/Parents are informed of low account balances by three different methods: (1) Verbal reminders from the cashier, (2) Text and Email reminders sent home bi-weekly, (3) Parents can sign up with EZSchoolPay to receive low balance reminders, free of charge. Utilizing EZSchoolPay is highly encouraged by the Child Nutrition department. Parents/Guardians are responsible for the maintenance of their students' accounts. At the end of each semester, any account that is greater than (-\$20.00) will be sent to RMP Credit for collections.

Funds remaining in the students' meal account at the end of the school year will be applied to the students' balance for the next school year.

Inactive accounts (withdrawn or graduated students) are eligible for refunds with a written request to the Child Nutrition department or by submitting the request via the form on the Child Nutrition department's web page. The request must be submitted 30 days after the end of the school year, or 30 days after the date the student leaves the district.

If your student has a diet restriction/food allergy that requires monitoring, please contact your school's Community Health Network RN. The district procedure can be found at: <https://ftcsc.org/health-services/forms>

A student who drops a class during the second and fourth grading periods will not receive a refund for the class.

TECHNOLOGY AND STUDENT INFORMATION

MEDIA REQUESTS FOR STUDENT PHOTOS AND NAMES

FTCS is often asked by local newspapers, television stations, and web news sites to supply photographs and names of students involved in a variety of activities, clubs, and special events. We release this information to those outlets unless a refusal is on file for the current school year. You have the right to request that the school not disclose any or all information. If you do not wish for your child's name and/or identifying information or photo to appear in any school or school related publication or announcement, please notify your child's principal in writing within 14 days of the start of the school year or within 14 days of enrolling your child. If submitted after the first 14 days of school or enrollment the school will make an effort to withhold publications, but no guarantees will be made due to productions that may have occurred prior to the request.

PARENTS: We respectfully ask that you refrain from using your camera or smart phones to take pictures of children other than your own while at school or at school related functions. We like to respect the privacy of all of our students and families.

INTERNET, TELECOMMUNICATIONS AND E-MAIL

We are pleased to offer the students of Franklin Township access to the Internet and other secure telecommunication services. Access to the Internet will enable students to explore thousands of libraries, bulletin boards, and other computer networks for educational purposes. Families should be warned that some material accessible via the Internet may not be appropriate for students' use. We understand the risk involved but believe the benefits to students in the

form of information and opportunities for collaborations exceed any disadvantages. We will work to educate our students on appropriate use of the network. However, it is ultimately parents and/or guardians of minors who are responsible for seeing and conveying the standard their children should follow when using media and information services.

STUDENT RESPONSIBLE USE POLICY

We seek to provide a productive and positive learning environment for our students. An increasing part of this environment includes technology. Students agree to read and follow all guidelines set forth in the board-approved student responsible use policy (RUP). The most current version is available on the FTCS Information Technology website located at <https://ftcsc.org/knowledge-base/a300>.

DISCIPLINE

The Board believes that the education of each student can be achieved only in an orderly and disciplined environment. The superintendent shall establish reasonable rules and regulations for student behavior that promote the attainment of educational goals set by the Board. The superintendent shall make these written rules and regulations available to students and parents at least annually. When students choose to conduct themselves in such a way that they are in violation of established rules and regulations they shall be disciplined in an appropriate manner.

The superintendent shall establish, implement, and support discipline procedures appropriate to the age and the misconduct of the student. These procedures shall also include a process whereby a principal may remove such students from school and, at the time, ensure that these students' rights to due process are not violated.

FCHS DISCIPLINE PHILOSOPHY

A major purpose at Franklin Central High School is to establish a climate in which all students are able to learn with a minimum of disruption and interference; consequently, all students at Franklin Central High School are expected to behave in a way that does not disrupt or interfere with the education of fellow students. The guidelines for student conduct contained in this handbook have been established to set a standard of student behavior, which will allow our school to accomplish, with maximum effectiveness, its primary purpose—the provision of the best educational opportunity for each student.

Administrative decisions in disciplinary matters will reflect the laws of the State of Indiana and the student behavior codes established by Franklin Central High School. The seriousness of the offense committed by each student and the degree to which the offense interferes with the educational function and purposes of the school will determine the type of disciplinary remedy which is applied.

The jurisdiction of Franklin Central High School to enforce these codes and guidelines extends to any activity for which Franklin Central High School is responsible, whenever and wherever it occurs. Students are also subject to this jurisdiction while traveling to and from any school-related activity, whatever the form of transportation may be.

FRANKLIN CENTRAL HIGH SCHOOL'S EXPECTATIONS

In order for each Franklin Central student to have a clear understanding of what is or is not expected from him or her, the following guidelines for student behavior are outlined. All staff, volunteers and contracted service providers who observe or receive a report of suspected bullying shall notify a designated school administrator in charge of receiving reports of suspected bullying within the same day. If a staff member does not know who to make a report to, he or she should report directly to the building principal or FTCSC's Lead Administrator. Bullying reports to the Department of Child Services and/or law enforcement must be made as required by law, such as when a staff member believes that a student is the victim of abuse or neglect. Any person who makes a report of bullying and requests to remain anonymous will not be personally identified as the reporter or complainant to the extent permitted by law. FTCSC will act appropriately to discipline staff members, volunteers, or contracted service providers who receive a report of bullying and fail to initiate or conduct an investigation of a bullying incident and for persons who falsely report an incident of bullying. IMPORTANT NOTICE TO STUDENTS AND PARENTS REGARDING CELL PHONE CONTENT AND DISPLAY

- The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.
- It is “child exploitation,” a Level 5 felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography,” a Level 6 felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.
- “Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.
- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

In extreme cases, it might be necessary to refer the student to the Dean's office immediately. First Offense – a disciplinary referral will be logged and parent contact will be made. Second Offense (and all thereafter) – a disciplinary referral will be logged and the offense will be considered a failure to comply with school rules (see rule #7) and the appropriate consequence will be assigned.

FTCSC'S NONDISCRIMINATION STATEMENT

FTCSC does not discriminate or tolerate harassment on the basis of a protected class including but not limited to race, color, national origin, sex, gender [including sexual orientation and transgender identity], age, religion, genetic information [collectively, "Protected Classes"] or disability in the programs or activities which it operates or the employment therein or admission thereto. This commitment applies to all FTCSC operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school grounds immediately before, during, or immediately after school hours; in any school program or activity taking place in school facilities, on school transportation, or at other off-campus locations, such as at school-sponsored field trips or a training program; or using property or equipment provided by the school, including school-owned computers and the school's computer network.

FTCSC has designated several staff members as coordinators of non-discrimination and anti-harassment. The identity and contact information for these staff members are listed below. The coordinators are responsible for monitoring and ensuring compliance with all non-discrimination and anti-harassment laws. The coordinators shall document all reports of discrimination or harassment and establish a protocol for recordkeeping. Nothing in this procedure shall supersede or substitute an employee's other mandatory reporting obligations including, but not limited to, reporting suspected child abuse and neglect and bullying.
