ATTENDANCE

When a student is going to be absent the parent must call the attendance line 317-803-8190 and report it by 9:00 a.m. or upon returning to school following an absence or absences, the student shall bring a written statement. The note must contain dates of absence and reason as well as parent/guardian signature. These statements determine if the absence is excusable. Failure to report (verbal or written) a student absent within 24 hours will result in the absence being unexcused.

The School Board, as an agency of the State, is required to enforce regular attendance of students. The Board recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel.

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

Attendance shall be required of all Corporation students, except those exempted under other provisions of State law, during the days and hours that the school is in session.

Exceptions to compulsory attendance that shall be recognized by the school corporation as provided by state statute are:

- A. service as a page or honoree of the General Assembly (I.C. 20-33-2-14)
- B. service on a precinct election board or helper to a political candidate on the date of an election (I.C. 20-33-2-15)
- C. subpoena to appear in court as a witness in a judicial proceeding (I.C. 20-33-2-17)
- D. service in active duty with the National Guard for not more than ten (10) days (I.C. 20-33-2-17)
- E. participating as a member of the Indiana wing of the civil air patrol for not more than five (5) days (I.C. 20-33-2-17.2)
- F. participating in an educationally related non-classroom activity which is consistent with and promotes educational philosophy and goals of the school corporation, facilitates the attainment of specific educational objectives, is part of the goals and objectives of an approved course or curriculum, represents a unique educational opportunity, cannot reasonably occur without interrupting the school day, and is approved in advance by the school principal (I.C. 20-33-2-17.5)

For any of these exceptions a student shall not be recorded as absent from school.

The Superintendent shall require, from the parent of each student or from an adult student who has been absent for any reason, a written statement of the cause for such absence. The Board reserves the right to verify such statements and to investigate the cause of each:

- A. single absence;
- B. prolonged absence;
- C. absence of more than 2 days' duration;
- D. repeated unexplained absence and tardiness

The Board considers the following for excused absences:

- A. illness verified by a note from the parent
- B. illness verified by a note from a physician
- C. recovery from accident

- D. required court attendance
- E. professional appointments – Parents are encouraged to schedule medical, dental, legal, and other necessary appointments other than during school hours. When appointments are necessary during the school day, the student shall report back to school immediately after the appointment with a signed statement from the doctor, dentist, lawyer, counselor, etc.
- F. death in the immediate family
- G. observation or celebration of a bona fide religious holiday in accordance with Policy 5223
- H. such other good cause as may be acceptable to the Superintendent or permitted by law

An unexcused absence is any absence not covered under the definition of excused absence or an exception to compulsory attendance. An out of school suspension shall not be considered an unexcused absence. Repeated instances of unexcused absences may result in disciplinary action up to suspension or expulsion of a student.

Truancy is defined as absence from school without permission of the parent.

The Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school to an intake officer of the juvenile court of the Department of Child Services.

The Board shall consider each student assigned to a program of other guided learning experiences, authorized under Policy 2370, to be in regular attendance for the program provided that s/he reports daily to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

The Superintendent shall develop administrative guidelines for the attendance of students which:

- A. ensure a school session which is in conformity with the requirements of the law;
- B. ensure that students absent for any excusable reason have an opportunity to make up work they missed;
- C. govern the keeping of attendance records in accordance with the rules of the State Board;
- D. ensure that any student who, due to a specifically identifiable physical or mental impairment, exceeds or may exceed the Corporation's limit on excused absence is referred for evaluation for eligibility either under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973.

Such guidelines should provide that a student's grade in any course is based on his/her performance in the instructional setting and is not reduced for reasons of conduct. If a student violates the attendance or other rules of the school, s/he should be disciplined appropriately for the misconduct, but his/her grades should be based upon what the student can demonstrate s/he has learned.

The Superintendent shall ensure that the administrative guidelines on attendance properly address the matter of truancy by including a process which:

- A. identifies the habitual truant, that is, a student who is chronically absent by having unexcused absences from school for more than ten (10) school days in one (1) school year;
- B. investigates the cause(s) of his/her truant behavior;
- C. considers, when appropriate, modification of his/her educational program to meet particular needs which may be causing the truancy;
- D. ensures that truant students are disciplined in accordance with the Corporation's policies and administrative guidelines on student discipline;
- E. provides for the reporting to the Bureau of Motor Vehicles those students who have been suspended for the second time during a school year, expelled or excluded for misconduct.

If a student is absent from school, we ask that the parent call the attendance line and write a note to the teacher the morning the student returns to school stating the reason for the absence. A parent note and/or phone call, must

confirm an absence from school due to one of the six (6) reasons stated above for the absence to be considered excused.

If the illness or absence from school will be longer than two days, we ask that arrangements be made for schoolwork to be sent home. When a parent calls and sends a note for an excused absence, that student may make the work up he/she missed and receives full credit. The student has the same number of days he/she was absent to make up work after returning to school. For unexcused absences, make-up work will be given but not counted. Extended vacations are unexcused absences.

ATTENDANCE POLICY FOR STUDENTS EARNING HIGH SCHOOL CREDITS

Franklin Township Schools encourages all students to attend school daily. Parents will receive electronic correspondence via email after the fifth absence. After the ninth absence, the parent will be sent a letter informing them that their student's number of absences is excessive. Student attendance will be reviewed by the Attendance Dean and a meeting will take place between the student and the attendance dean to discuss strategies for improving attendance. Appropriate consequences may be issued at that time. Students that continue to accumulate absences will need to provide documentation and there may be a loss of credits.

LATE TO SCHOOL

Arriving late to school is disruptive to the educational process and is considered to be a serious matter. Whenever a student arrives late to school, he/she should report directly to the front office. Students are to sign in on the late arrival form located in the main office and ascertain an Admit Slip to class.

A student who arrives late to school four (4) or more times (PER NINE-WEEKS) will begin to receive disciplinary consequences. Some examples of unexcused reasons include: car trouble, missing the bus, personal illness, headaches, not feeling well, oversleeping, school closing assumptions, personal business, power outage and transportation related issues, etc. Medical issues that result in a child being habitually tardy for school would require medical documentation from the attending physician to be marked as excused.

- If tardiness exceeds three (3) in number during the NINE WEEKS, the school will submit a warning notice to the parent/guardian.
- On the fourth (4th) and fifth (5th) tardiness to school during the NINE WEEKS, an After School Detention (ASD) will be assigned.
- On the sixth (6th) and seventh (7th) tardiness to school during the NINE WEEKS, a Wednesday Extended Day (WESD) will be assigned.

Failure to respond to these measures (continued tardiness) may result in out-of-school suspension.

TARDINESS TO CLASS

A student is considered tardy to any class when he/she arrives after the passing period bell, without a valid excuse, and within the first 10 minutes of class. Arrival after 10 minutes may result in a recorded unexcused absence.

- If tardiness exceeds three (3) in number during the nine weeks and the teacher has applied corrective measures, the teacher will submit a tardy referral to the attendance office showing the number of tardies, the dates of the tardies, and the corrective measures which were attempted.
- After the student has been properly referred, the student will be assigned a detention for each of the fourth (4th) tardy and fifth (5th) tardies. For each of the sixth (6th) and seventh (7th) tardies, the student will be assigned a Wednesday Extended School, ISI, or OSS

Failure to respond to these measures (continued tardiness) may result in out-of-school suspension.

HALL FREEZE

Franklin Central Junior High reserves the right to conduct “Hall Freezes.” The guidelines for Hall Freezes are as follows:

1. Students not in the classroom when the bell rings will be directed to the cafeteria.
2. Each tardy student will be automatically assigned a detention. Failure to serve the assigned detention will result in a more severe consequence.

PREARRANGED ABSENCES

Permission to participate in school sponsored field trips, college visits, religious events educational activities, trips with the immediate family, and other special activities which require a student to be absent from school may be granted if they are prearranged, fully documented in writing, and approved by the principal or designee. The principal’s decision to grant permission for the student to be absent from school without penalty will be based on the following:

1. The overall attendance record of the student
2. The overall academic record of the student
3. Is the absence at a time convenient for both the student and the school?

These absences must be arranged well in advance by the parent/guardian and fully documented before they can be approved by an administrator.

Prearranged absences will NOT be granted during weeks before and after fall, winter and spring recesses if such absences include the day before or after either holiday period. NO prearranged absences will be granted during the week of final exams.

PROCEDURE TO LEAVE SCHOOL

A student is expected to be in school all day and to do a full day’s work. A written request from parents is necessary for a student to be permitted to leave school before the end of the day for any reason. This request must be presented to the attendance office before the first period class begins. A pass will be issued stating the time the student is to be excused from class. Otherwise, a student will be sent for upon parent/guardian arrival for pickup. Students leaving school during the school day must sign out in the main office in the presence of parent/guardian with a valid picture ID (e.g., driver’s license). A record will be kept of the student’s name, date, the time leaving school, and the time the student returns to school. In case of an emergency, the main office will notify the teachers.

DENTAL AND MEDICAL APPOINTMENTS

When a student has a dental or medical appointment, he/she must bring a note from his/her parent or guardian (or telephone call from parent or guardian). The note should be dated and state the time, which the student needs to leave the building. The student, upon return to school, must bring a note from his/her health care provider verifying the appointment. Medical and dental notes must be turned in to the attendance office within two (2) weeks in order to fully excuse the absence. Students must sign out through the attendance office.

MINIMAL ATTENDANCE FOR PARTICIPATION IN ACTIVITIES

Students must be present at school a minimum of four (4) periods of the school day or the day before (Saturday) to participate in his or her next extra-curricular activities event. Truancy during any part of a school day is cause for loss of participation in extracurricular activities.

EMERGENCY SCHOOL CLOSING/DELAY

When school is closed or delayed due to bad weather, a phone message will be sent to the student’s main contact number via Connect-Ed. Notice will also be made to local media outlets. If you do not wish to receive Connect-Ed messages, you may notify the school district by calling 317-803-5019. It may take up to five business days to

process the request.

HABITUAL TRUNT

Students who accumulate ten or more unexcused absences in one school year are considered to be a “habitual truant.” Habitual truants are ineligible for driver’s license or learner’s permits under IC 20-33-2-11. Habitual truants may also be expelled from school according to the Franklin Central Junior High Student Conduct Code.

NEW STUDENTS

The principal or designee shall review the attendance and discipline records of a newly enrolled student from the student’s previous school (s) and shall treat documented absences or misbehavior as if they had occurred in FTCSC.

FINAL EXAMS (If Applicable)

Each student in attendance shall have the opportunity to take final exams. If a student misses a final exam due to an excused absence, a zero will appear on the report card for the final exam grade and the grade will be calculated accordingly. The student may come in to make-up the final exam. The teacher will then recalculate the grade with the final exam score. All final exams must be made up within five school days unless an alternative plan has been made with the individual teacher. No semester exams will be given early due to test security.

STUDENT SERVICES

COUNSELING AND GUIDANCE DEPARTMENT

The goal of the Franklin Township Counseling Department is to provide a comprehensive, developmental counseling program addressing the academic, career and personal/social development of all students. The school counselors at Franklin Central Junior High are professional school advocates who provide support to maximize student potential and academic achievement. The Counseling Department will make every effort to ensure that all students have a successful academic career by helping students overcome personal and social problems that interfere with student learning and school attendance. Counselors will facilitate communication with parents, teachers, students and community agencies to enhance student success.

The Counseling Department will serve students and parents through programs that address educational assessment, career development, scholarship opportunities and college selection. Counselors will meet frequently with students to help them take full advantage of school programs and activities, thereby allowing them to become the most sought after graduates by colleges, universities, and the world of work.

PROMOTION, PLACEMENT, AND RETENTION

The School Board recognizes that the personal, social, physical, and educational growth of children will vary and that they should be placed in the educational setting most appropriate to their needs at the various stages of their growth. It shall be the policy of the Board that each student be moved forward in a continuous pattern of achievement and growth that is in harmony with his/her own development. Such pattern should coincide with the system of grade levels established by this Board and the instructional objectives established for each.

A student will be promoted to the succeeding grade level when s/he has demonstrated sufficient proficiency to permit him/her to move ahead in the educational program of the next grade.

A student enrolled in special education shall be promoted or retained based on the opinion of the Case Conference and the student's I.E.P.

No student who has completed a grade successfully shall be retained or allowed to repeat a grade in order to improve his/her ability or lengthen his/her eligibility to participate in extra-curricular athletic programs.

NAVIANCE

Naviance is a college, career and scholarship database. In addition to providing students with a list of scholarship opportunities, the ability to conduct online college searches, access to career interest inventories and access to college admissions data, Naviance is also a communication tool between students and their counselor. The guidance office helps students register for Naviance during their 8th grade year. If your child does not remember his or her password for Naviance, it can be reset via the Naviance website.

INFINITE CAMPUS PORTAL

Infinite Campus is the FTCSC vendor for data warehouse (grades, attendance, etc.) and notification system. You have the right to opt out of the Infinite Campus Portal. If you wish to do so, you must notify your school principal in writing in the first 14 days of enrolling your child.

STUDENT CUMULATIVE RECORD

Franklin Township Schools maintain a complete and up-to-date records on all students.

The Family Educational Rights and Privacy Act (FERPA) of 1974 deals with the right of privacy of student records.

1. It provides parental access to their children's records until the child is eighteen years of age.
2. It provides for a hearing in which parents may challenge the contents of such records.
3. It spells out who may have access to records without parental permission and when parental permission is required.
4. It allows student records to be sent from one school system to another.
More specific information concerning this act is available at the school's guidance office.

RELEASE OF STUDENT INFORMATION TO A NON-CUSTODIAL PARENT

The Family Educational Rights and Privacy Act (FERPA) of 1974 mandates that the school protect the privacy of its students and their educational record, however, a non-custodial parent shall be entitled to receive a copy of his/her child's report card and given access to the child's educational record, subject to the following conditions: The custodial parent has not provided the school with a copy of the divorce decree, which specifically prohibits the non-custodial parent from having contact with or information about the child.

WITHDRAWAL FROM SCHOOL

Parents who need to withdraw a child from school should give the school two days' notice before the date of withdrawal. The student or parent must notify the appropriate guidance counselor so necessary preparation can be taken. All library books must be returned to the librarian and any debts must be paid. In order for the school to forward a transcript to the school in which the student intends to enroll, it is necessary for parents to sign a release of information form before a transcript of grades can be released. Textbooks and rental devices will be returned to the designated school employee. If there is any refund of book rental or fees, this will be taken care of at that time. Students will be given a withdrawal form to take to the new school.

STUDENT RECORDS

A "student's record" consists of all official records, files, and data directly related to a student and maintained by the school, intended for school use, or to be available to parties outside the school. Such record encompasses all the material incorporated in the student's cumulative folder and includes but is not limited to general identifying data, records of attendance and of academic work completed, records of achievement in the school curriculum and on standardized achievement tests, results of other evaluative tests (including intelligence, aptitude, psychological, and interest inventory tests), school discipline and health data.

1. Students may obtain copies of their transcript at no charge through August of their graduation year.
2. After that time, they will be charged a fee of \$2.00 for each transcript.
3. Such records shall be the property of the school system. Access to, correction, and disposition of student records is governed by the following policy
 - a. Right of Access. A parent/guardian of a student who is under age of eighteen (18) years and is either currently enrolled in, or the student's records are otherwise maintained by, the school system, has a right to inspect and review such student's record or any part thereof.
 - b. Manner of Exercising Such Rights. Such rights shall be exercised by presenting a written request to the office of the superintendent or his designee. The request shall specify the specific records which the parents wish to inspect or examine. In the event the school cannot determine the exact records as described, the designated school employee will

immediately contact the parents by letter to determine the desired scope of records to be inspected.

Such inspection shall be made during reasonable business hours determined by mutual agreement between the school employee and the parents, but in no event shall be more than ten (10) school days after submission of the written request. A school official shall be present during any such inspection to assist in the interpretation of the records where they reasonably require professional interpretation.

- c. Records Involving More Than One Student. Where the records requested include Information concerning more than one student, the parents shall either receive for examination that part of the record pertaining to their child, or where this cannot reasonably be done, be informed of the contents of that part of the record pertaining to their child.
- d. Students Over 18 Years of Age. Whenever a student has attained eighteen (18) years of age, or is attending an institution of postsecondary education, the permission or consent required of and the rights accorded to parents under this policy, shall thereafter only be required of and accorded to the student.

STUDENT SAFETY

EMERGENCY STANDARD AND RESPONSE PROTOCOL

Emergency Drills

- Emergency drills will be held each month of the school year. Students are to follow the directions of the staff; every emergency drill must be regarded as the “real thing” by students and staff. The necessity of a drill is to form habits, which will avoid panic in case of a real disaster.
- The signal for evacuation, or an evacuation drill, is a continuous sounding of the fire buzzer until the building is vacated.
- When the evacuation alarm sounds, all persons must leave the building according to the building evacuation plan. Each student should know the proper exit from the classroom to the outside for every room in which he/she has classes. Directions for drills are posted in every room.
- At the first sound of the fire buzzer, students must form into lines and clear the building as quickly as possible. Students will walk, NOT RUN, when leaving the building. Silence should be maintained during the fire exit to permit proper instructions.
- Teachers should designate a responsible student to close all windows and turn off lights in the classroom. Teachers are expected to check for clearance from their areas and evacuate the building with the students. Classroom doors should be closed but not locked. Teachers should take a class roster with them when leaving the building so attendance can be taken when students are reassembled outside.
- Upon leaving the building, classes should move away from the exits a distance of at least 100 feet where conditions allow. This will prevent the blocking of exits and will allow room for the operation of firefighting and other emergency equipment.

Tornado Drills/Shelter

- The signal for a tornado warning is a distinct siren warning sounded through the P.A. system. Each student should know the proper exit from the classroom to the evacuation area for every room in which he/she has classes.
- Rules governing tornado drills are as follows:
Students are to be quiet when leaving the room and remain quiet until they arrive back in the room.
- Students are to walk in single file to their destination.
 - Teachers are to direct their class to their designated area and remain with them.
 - Teachers will make sure there are no students located near glass.
 - Students are to assume the American Red Cross Tornado Safe Position.
 - Students are to walk back the same way as they came from the room.

Other Disaster Drills - Other emergency drills may be conducted throughout the school year.

HEALTH SERVICES

CLINICS

Health services include programs, services, and activities that provide for a healthy environment, thereby promoting and protecting the health, learning, and well-being of all students. The school nurse clinics are available for emergencies, injuries, and illness that arise while the child is at school, in addition to management of chronic illnesses and special needs. Each FTCSC clinic is staffed with a Community Health Network nurse (RN or LPN), provided at no cost to the school district. Nurses do not make medical diagnoses. Nurses are skilled in assessment, data collection, planning, intervention, evaluation, wellness promotion, health education, prevention, emergency care, referral, and communicable disease surveillance.

Students must have a CHN Consent to Treat form on file and updated annually in order for the nurse to provide care. Students without permission will be seen for emergencies only. The Consent to Treat form is available during both the new and returning student online registration process. It is also available on the FTCSC website under “Health Services.” Please speak with the nurse at the school if you have questions about the consent form or if you require a paper copy. The clinics are open daily during school hours. Students must have a pass to enter the clinic. Those without a pass will be sent back to class to obtain a pass unless there is an emergent need. The student will be asked the nature of the complaint, may have his/her temperature taken, and may be allowed to rest for a short period of time. Please remember that time in the clinic is time out of class and instructional time is being lost. The nurse will send students home who display outward signs of illness. The nurse will call the phone numbers on file if the nurse feels the student is too ill to be at school, or if a symptom of illness below presents during the school day. It is essential that phone numbers provided to the school are current and up to date. If the nurse is unable to reach a contact, the student will be sent back to class, unless there are signs of a contagious illness. If the student has an emergent or urgent health need and/or the parent or other contact cannot be reached,

EMS may be contacted.

ALLERGY PRECAUTION

Due to allergy precautions, latex balloons and latex gloves are NOT to be utilized within any FTCSC building.

ILLNESS

General guidelines for illness follow the guidelines, laws, and recommendations of the IN Dept. of Health, the Marion County Health Dept., Community Health Network, and IN Code to prevent the spread of communicable disease. When the nurse calls the parent to pick up the child, it is in accordance with these laws and directives and the public health setting of school. Parents should make every effort to come to the school to pick up their students in a timely manner. Bus transportation cannot be utilized if the child exhibits symptoms of a contagious illness.

Please do NOT send your child to school if one or more of the following symptoms are present: diarrhea, vomiting two or more times in a 24-hour period, undiagnosed body rash, sore throat with swollen lymph nodes, severe coughing, eye discharge and redness, or fever of 100 ° or more. Please do NOT send the child back to school until he/she has been fever-free (without fever-reducing medications) and with no vomiting/diarrhea for 24 hours.

Antibiotics prescribed for eye or throat infections must be given for 24 hours before the student returns to school. The school nurse will contact a parent/guardian for pick up from school if any of the above present during the school day. The school nurse may request a doctor's note for return to school if there are symptoms of communicable disease. This will help prevent the spread of infection to others and ensure that the student is feeling better to learn. Students who have had surgery may be asked to provide a doctor's release to return to school.

INJURY

Students who are injured at school should report to the clinic to be assessed at the time of the injury. If a student has a deep laceration, cannot walk, has extreme swelling or pain, obvious deformity, head injury, or any other sign of an emergent/urgent need requiring further evaluation, the nurse will determine the best course of action for the situation. This may include a call for a parent/guardian to pick up, or a call to EMS. The clinics possess wheelchairs for emergency response by school staff only. FTCSC cannot provide a wheelchair or any other medical supplies or devices which may be necessary for student injuries or recuperation from surgeries, this includes: crutches, dressing supplies, wraps, splints, etc. Parents should contact their healthcare provider or insurance carrier if these devices are needed beyond the school's initial response.

MEDICATIONS:

Medication given for the academic success of students, or other medications given for acute or chronic conditions may be administered by the school nurse. All medications must be provided by the parent/guardian. Any medication that is necessary to be administered during the school day must be brought to the clinic by a parent or guardian. Students are not allowed to transport medications unless they have a consent to self-treat form on file for emergency medications. Medication administration forms are available at each school and online and must be filled out for each medication. Medication forms must be filled out and signed by the parent before a medication may be administered by the nurse. Medications that are prescribed for once, twice, or three times daily administration should be administered at home when all possible. Please consult with your nurse if it is necessary for one of these medications to be administered during the school day. Prescription medications must have the current prescription label with the student's name attached to the medication. Per IN Code, all medications must be in the ORIGINAL containers.

For the safety of your student, medication received in a baggie or envelope cannot be given. More than a 4-week supply of medication should not be brought to the school, as controlled substances are counted daily by nurses, and upon receipt in the clinics. Expired medications and prescriptions with a label more than a year old will not be accepted. Over-the-counter (OTC) medications provided by the parent may be stored in the clinic to be given

by the school nurse. A signed medication consent form must be filled out for each medication. The label on an OTC serves as the guideline for dosing and frequency, including appropriate duration before a doctor is consulted. If the parent desires a dose or schedule that is different than the label, a physician's order shall be necessary for administration. If cough drops are needed, we suggest supplying a hard candy to be substituted for the same effect. This allows the student to remain in the classroom during educational time.

Students less than 12 years of age must have age-appropriate children's medication. Aspirin cannot be given to students, due to risk of Reye's syndrome—please check labels of various pain relievers and stomach medications to make sure aspirin, salicylates, or bismuth are not ingredients. Supplements, Vitamins, Non-FDA approved medications, and essential oils are not appropriate for school and will not be dispensed by the nurse. Medication policy is available online. A physician's order and signed permission to self-carry form is necessary in order for an emergency medication prescribed for life-threatening conditions to be carried and administered by a student during the school day. Examples are Epi-pen and Albuterol. We recommend keeping an additional supply in the clinic in case of student need. Emergency medications that are controlled substances will be kept in the clinic.

LICE

Students who exhibit scratching or evidence of live bugs in the hair may go to the school clinic for evaluation by the school nurse. The school nurse will examine the student's hair and scalp in a confidential manner. If live lice (crawling bugs) are visualized, the parent/guardian shall be contacted by phone. Factors such as the severity of infestation, child's age, or other health concerns influence professional judgement regarding parent pick up and recommendation of treatment options. If nits only are visualized, the student may remain in school and the parent will be notified of need for treatment by the end of the school day. Nits closer than ½ inch from the scalp may be viable and require parental action at home.

Once confirmed, students with live head lice must be cleared by the nurse in order to return to school. Students should be brought to the clinic by the parent after treatment to be cleared prior to their return to classroom. School Nurses may offer educational assistance with strategies for prevention and ways to enable the student to return to school as soon as possible.

MISCELLANY

In the event that Indiana Poison Control is consulted, the instructions received shall be absolutely followed by nurses/school personnel, to include emergency transport.

It is the parent's responsibility to provide any student-specific supplies that are needed on a regular basis at school. This includes dressing supplies for injuries beyond initial first aid, supplies of clothing, hygiene items, equipment/supplies/food for any type of special need, etc.

Immunization records are reviewed at the time of enrollment and throughout the school year to keep accurate compliance rates in the school. Per Indiana state law, students must be up to date with required immunizations prior to the first day of school. Parents will be informed about changes in state laws pertaining to immunizations prior to the start of each school year. All students must meet state requirements for immunizations. Students may be excluded from school if immunizations are not up to date. Please contact your building nurse for further information.

All students are expected to be independent in caring for their toileting needs, and will be given the necessary items to clean themselves in case of an accident. Parents of young students are encouraged to provide spare items in the student's backpack.

Extra clothing will be provided when available and should be laundered and returned to the school when lent out. If clothing is not available, the nurse will contact the parent to provide clothing.

Vision (grades 1, 3, 5, 8) and hearing (grades 1, 4, 7, 10) screenings take place during the year and are performed by the school professional staff, eye doctor, or health department. Referrals for follow-up are mailed to the home. Parents should make every effort to act promptly if a referral is received, as vision and hearing deficits greatly impact educational performance. The handbook shall serve as notice that screening will occur. Check buildings' calendars for specific dates.

BUS REGULATIONS

PERMANENT BUS STOPS

- Permanent bus stops will be established by the Franklin Township Community Schools and are subject to change by (FTCSC) Transportation Office. Bus stops will be published annually and made available to the community via the FTCSC website. Bus stops will be located on publicly serviced roadways. Buses will NOT load/unload students at businesses, parking lots, or areas deemed unsafe by the Transportation Department. Students must use the bus stop assigned to them.
- FTCSC cannot send buses into new neighborhoods under construction until buses can get through safely.
- Students and parents are required to ensure the safety of all individuals to and from the bus stop and while waiting for the bus.
- Students that do not reside in a neighborhood and reside off of a main roadway will be picked up at their driveway.
- **Bus drivers are not authorized to change, edit, or add bus stops to their route. Please do not approach the driver at the bus stop. Requests or concerns are handled by the FTCSC Transportation Office.**
- Students need to be at their scheduled bus stop at least 10-minutes prior to the time scheduled.
- Addresses must be kept updated with registration at the student's home school. Transportation cannot change addresses.
-

CUL-DE-SACS/COURTS/DEAD END ROADWAYS

- FTCSC will not allow its buses to travel down cul-de-sacs, courts, or dead end roads due to inherent risk. Exceptions are made for special needs buses.
- Buses will not use driveways to turn around.

BUS ROUTES AND CHANGES

The change must be permanent and a consistent daily pick-up or drop-off location (no variant day/week locations will be approved). In order to provide a safe and secure experience for our students, **FTCSC is unable to temporarily alter a student's scheduled stop location** and or route. This ensures that all students will be picked up and dropped off at the appropriate time and location. In addition, this allows FTCSC to maximize bus capacity and routing efficiencies. Transportation can only provide rides to and from the assigned bus stop. Please do not send notes to the school, give notes to the drivers, or contact the transportation office with requested changes as they will be unable to assist and may create confusion. Thank you for your understanding on this matter.

- Bus routes will be designed to utilize the maximum capacity rating for each bus. Routes will be designed and built for students to ride to and from their assigned stop based on their home address or daycare provider
- If you are using a daycare provider please use the **Pick-up/Drop-off Information Form**, which is available at school offices, and CTEC (Administration Office on Franklin Rd) and on our school web page. This form may be turned into the school office or faxed to the Transportation Office at 317-803-5070 or emailed to transportation@ftcsc.org. Changes may take up to 3-5 days to process. Parents/Guardians should have a back-up plan in place until services are altered to accommodate requests. **No changes may start until approved, authorized and scheduled by the FTCSC transportation office.** Once the request is approved the Transportation Office will notify the bus driver and guardian of

the student with the start date and routing information.

- Due to bus capacity and routing efficiencies students will NOT be able to use multiple bus stops or day variant scheduling. We do not issue bus passes or honor requests from parents.
- There may be times routes may need to be consolidated to account for shortage of drivers or situations unforeseen by the transportation office.
- In the event the transportation department changes a bus route and the times are altered more than +/-10 minutes students and parents will be notified via letter and/or email indicating the schedule changes at least 3 days prior.
- One week prior to school starting bus route information will be available on the corporation website; www.ftcsc.org. Use the login and passwords provided on that page. In the event last minute changes may be made it is recommended to double check the night before school starts.
- Franklin Township CSC Transportation Facebook page will have posting of changes along with daily notices of buses running later than 10 minutes.

BUS STOP ETIQUETTE

The bus stop is considered school property. Students and parents are to respect the property where the bus stops are located. Individuals are not to damage or vandalize the property where the bus stops are located. Failure to comply may result in a loss of riding privileges.

LOADING AND UNLOADING SAFETY

- Students are to wait at least 10 feet away from the curb and in a straight line while waiting for the bus.
- Students that are required to cross the street must cross in front of the bus, ONLY after the driver has activated the red warning lights, stop arm, and they are indicated by the driver that it is safe to cross.
- Students are NOT to cross behind the bus. Due to the severity of the safety risk, students that cross behind the bus may lose riding privileges.
- Students are to be at their bus stop ready to board the bus at least 10 minutes prior to scheduled pick-up time. Students that are not at the bus stop and visible to the driver may be missed. Buses will not be sent back to retrieve students that missed the bus.
- If a student misses the bus they are NOT to chase, follow, or board the bus at any other location other than their assigned bus stop. Doing any one of these can be extremely dangerous and can result in serious injury or death. Students chasing buses or boarding at a different stop will receive a one-day suspension.
- Students at the bus stop should not engage in any horseplay. Pushing, shoving, chasing, etc.
-

CONTACT

In order to maintain bus routes running in an efficient and timely manner, we request that all communication be handled through the Transportation Office and not at the bus stop. In the event you need to get a hold of your child's bus driver to discuss a disciplinary concern, bus times, or items related to the bus ride please contact the Transportation Office (317-862-2314) and a message will be left for the driver.

BUS SAFETY DRILLS

Throughout the school year students will participate in bus safety drills. The dates will be posted online. This program is to help assist students in the education process of understanding their role and what to do in the event the bus needs to be evacuated.

- Students will be taught how to evacuate, where to evacuate, and how the emergency exits operate.

1. **WARNING:** No time off the bus – Form sent home for parent awareness only
2. **FIRST ACTION:** One day off the bus- Form sent home

STAR EXPRESS CHILD NUTRITION MEAL PROGRAM

Go to: <https://ftcsc.org/nutrition-department> and <http://www.ftcsc.nutrislice.com> to find a more complete list of what your child nutrition program is doing for your students. Also available: menus, meal prices, nutritional data and requirements, payment options, charge policy, allergy management, free & reduced meal application, Summer Servings, wellness policy, and contact information. As a result of the USDA Nutrition Standards for the National School Lunch, five meal components are offered daily with a variety of choices in each category. Of those five components (Meat/meat alternative, grain/bread, fruit, vegetable and milk), the students must choose at least 3 different components. Each student is **required** to take either a fruit or vegetable serving as part of the reimbursable meal and may take up to two fruits and/or two vegetables as part of their meal. Star Express offers breakfast daily and provides a variety of entrees that are whole grain rich and packed with essential vitamins and minerals needed for everyday function. Four food items from 3 meal components are offered each day at breakfast. Of those four food items (Meat/meat alternative, grain/bread, fruit, and milk), the students must choose at least 3 different items. Each student is **required** to take the fruit or juice serving as part of the reimbursable meal. Federal regulations require that meals are priced as a unit and no reduction is given if a student takes less than the offered items. Students are encouraged to take all of the items offered. In addition, a la carte items are available for purchase.

The child nutrition department uses a computerized meal payment system. The district uses multiple options for student meal checkout including but not limited to; pin numbers, barcode scanners, class rosters and biometrics. The system allows a student to make payments into his/her own personal account. Prepayments for meals are encouraged to reduce the need for frequent deposits and daily cash handling; however, he/she may still pay cash daily. Either cash or checks will be accepted for deposit. In addition, on-line payments can be made through EZSchoolPay.com with a debit or credit card. EZSchoolPay is accessible through the district website. An account balance cannot be shared by different children in the same household. Money in a student's account may be used for complete meals and a la carte sales. The system allows one student meal for breakfast and one for lunch. All other purchases will be charged at a la carte pricing.

If a household chooses not to use EZSchoolPay, students paying by check/cash may drop off their deposit to the main office drop box or to the Child Nutrition office by 9 a.m. Elementary students are to bring checks or cash in an envelope marked with the child's name and teacher's name on it and submit it to the classroom teacher each morning. Deposits are also accepted on the line. We request that you write the child's name on checks. Checks should be made payable to Franklin Township Food Service (FTFS). In order to expedite the line speed, a "no cash back policy" has been implemented for Intermediate, Junior High and High School students. Any remaining cash paid at the register will go into the student's account instead of refunding it to them.

Eligible students may qualify for free or reduced price meals. Applications are available online at the Franklin Township Community School Corporation Child Nutrition website. Students may charge a full reimbursable meal (entrée, up to two fruits and/or two vegetables and a milk). Charges are not permitted for a la carte items. Students/Parents are informed of low account balances by three different methods: (1) Verbal reminders from the cashier, (2) Emails sent home weekly on accounts with balances greater than (-\$10.00), (3) Parents can sign up with EZSchoolPay to receive low balance reminders, free of charge. Utilizing EZSchoolPay is highly encouraged by the child nutrition department. Parents/Guardians are responsible for the maintenance of their students' account. At the end of each semester, any account that is greater than (-\$20.00) will be sent to RMP Credit for collections. Funds remaining in the students' meal account at the end of the school year will be applied to the students' balance for the next school year. Inactive accounts (withdrawn or graduated students) are eligible for

refunds with a written request to the Child Nutrition Department or by submitting the request via the form on the Child Nutrition Department's webpage. The request must be submitted 30 days after the end of the school year, or 30 days after the date the student leaves the district.

We encourage parents to join their child for lunch and may use their student's meal account if they so choose. If your student has a diet restriction/food allergy that requires monitoring, please contact your school's Community Health Network RN. The district procedure can be found at <https://ftcsc.org/health-services/forms>. If you have any questions regarding the meal program, please contact the Star Express manager and/or visit our website:

TECHNOLOGY AND STUDENT INFORMATION

MEDIA REQUESTS FOR STUDENT PHOTOS AND NAMES

The Franklin Township Community School Corporation is often asked by local newspapers, television stations and web news sites to supply photographs and names of students involved in a variety of activities, clubs and special events. We release this information to those outlets unless a refusal is on file for the current school year. You have the right to request that the school not disclose any or all information. If you do not wish for your child's name and/or identifying information or photo to appear in any school or school related publication or announcement, please notify your child's principal in writing within 14 days of the start of the school year or within 14 days of enrolling your child. If submitted after the first 14 days of school or enrollment the school will make an effort to withhold publications, but no guarantees will be made due to productions that may have occurred prior to the request.

<p>PARENTS: We respectfully ask that you refrain from using your camera or smart phones to take pictures of children other than your own while at school or at school related functions. We like to respect the privacy of all of our students and families.</p>

INTERNET, TELECOMMUNICATIONS AND E-MAIL

We are pleased to offer the students of Franklin Township access to Internet and other telecommunication services. Access to the Internet will enable students to explore thousands of libraries, bulletin boards, and other computer networks for educational purposes. Families should be warned that some material accessible via the Internet may not be appropriate for students use. We understand the risk involved but believe the benefits to students in the form of information and opportunities for collaborations exceed any disadvantages. We will work to educate our students on appropriate use of the network. However, it is ultimately parents and/or guardians of minors who are responsible for seeing and conveying the standard their children should follow when using media and information services.

STUDENT RESPONSIBLE USE POLICY

We seek to provide a productive and positive learning environment for our students. An increasing part of this environment includes technology. Students agree to read and follow all guidelines set forth in the board-approved student responsible use policy (RUP). The most current version is available on the FTCSC Information Technology website located at <https://ftcsc.org/information-technology/>.

DISCIPLINE

The Board believes that the education of each student can be achieved only in an orderly and disciplined environment. The superintendent shall establish reasonable rules and regulations for student behavior that promote the attainment of educational goals set by the Board. The superintendent shall make these written rules and regulations available to students and parents at least annually. When students choose to conduct themselves in such a way that they are in violation of established rules and regulations they shall be disciplined in an appropriate manner.

The superintendent shall establish, implement and support discipline procedures appropriate to the age and the misconduct of the student. These procedures shall also include a process whereby a principal may remove such student from school and at the time insure that these students' rights to due process are not violated.

FCJH'S DISCIPLINE PHILOSOPHY

A major purpose at Franklin Central Junior High School is to establish a climate in which all students are able to learn with a minimum of disruption and interference; consequently, all students at Franklin Junior High School are expected to behave in a way that does not disrupt or interfere with the education of fellow students. The guidelines for student conduct contained in this handbook have been established to set a standard of student behavior, which will allow our school to accomplish, with maximum effectiveness, its primary purpose—the provision of the best educational opportunity for each student.

Administrative decisions in disciplinary matters will reflect the laws of the State of Indiana and the student behavior codes established by Franklin Central High School. The seriousness of the offense committed by each student and the degree to which the offense interferes with the educational function and purposes of the school will determine the type of disciplinary remedy, which is applied.

The jurisdiction of Franklin Central Junior High School to enforce these codes and guidelines extends to any activity for which Franklin Central Junior High School is responsible, whenever and wherever it occurs. IMPORTANT NOTICE TO STUDENTS AND PARENTS REGARDING CELL PHONE CONTENT AND DISPLAY

- The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.
- It is “child exploitation,” a Level 5 felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography,” a Level 6 felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.
- “Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of

the child or other person.

- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

DRESS CODE STANDARDS

Students are expected to maintain an appearance that is appropriate for school and conducive to the educational atmosphere. Whenever a school official considers a student’s appearance to be inappropriate, immodest or distracting to the educational environment, a conference will be held and the student will be asked to make the necessary accommodations. The following are examples of clothing or items that are considered to be inappropriate:

- Clothing and/or any adornment displaying messages not appropriate for school. Examples would be messages containing profanity, sexual innuendo, depicting violence, and references to drugs, alcoholic beverages or tobacco products. Clothing revealing bare midriffs, shirts and tops must be able to be tucked in
- Clothing which reveals undergarments or the lack of undergarments
- No head coverings, except those worn for religious purposes, may be worn. Other requests must be submitted in writing to the principal. Hats are not to be carried or displayed. Examples of headwear would be sweatbands, scarves, bandanas and earmuffs.

*Students who violate the dress code will face disciplinary action. The administration reserves the right to determine appropriate dress or attire.

VIOLATION OF THE DRESS CODE

Upon seeing a student in violation of the dress code, teachers or staff members will submit a referral in Infinite Campus for the student. When possible, the classroom teacher will send the student to the Dean’s office the last few minutes of the class period. In extreme cases, it might be necessary to refer the student to the Dean’s office immediately. First Offense – a disciplinary referral will be logged and parent contact will be made. Second Offense (and all thereafter) – a disciplinary referral will be logged and the offense will be considered a failure to comply with school rules (see rule #17) and the appropriate consequence will be assigned.

The School Board of the Franklin Township Community School Corporation prohibits gang activity and similar destructive or illegal group behavior on school property, on school buses, and/or at school-sponsored functions and prohibits reprisal or retaliation against individuals who report gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or other people with reliable information about an act

SUSPENSION PROCEDURES (IC 20-33-8-18)

When a principal (or designee) determines that a student should be suspended, the following procedures will be followed:

1. A meeting will be held prior to the suspension of any student. At this meeting, the student will be entitled to the following:
 - a. The student will receive a written or oral statement of the charges,
 - b. If the student denies the charges, a summary of the evidence against the student will be presented; and
 - c. The student will be provided an opportunity to explain his or her conduct.

SEARCH AND SEIZURE

Franklin Central High School recognizes that students maintain their rights of privacy while attending school and that those rights include the right to be free from unreasonable searches by school personnel. These rights will not be disturbed unless it is necessary to do so to enforce the law or school rules. In all circumstances, students shall be treated with dignity and respect. In order to clarify the rights of the students and the responsibilities of the school, Franklin Central High School adopts the following policy:

1. **General.** Certified school personnel may search a student's person, locker or vehicle if there are reasonable grounds for that search. As used in this policy, reasonable grounds for the search exist if the circumstances would cause a reasonable person to suspect that the search may turn up evidence that the student has violated or is violating the law or the rules of the school. Periodic unannounced searches, incorporating metal detection devices and/or narcotic detection dogs, will be conducted to help insure the safety and well-being of all students and adults on the Franklin Central High School campus.
2. **Search of Student's Person.** A search of a student's person may occur if reasonable grounds exist for the search. Generally, searches of a student's person shall be limited to searching the pockets of the student; searching any objects in the student's possession such as a purse or backpack; and a "pat down" of the student's clothing.
3. **Search of Student Lockers.** Under IC 20-33-8-22, a student who uses a locker that is the property of a school corporation is presumed to have no expectation of privacy in that locker or its contents. An administrator (designee) may search a student's locker and the lockers contents at any time. If requested, law enforcement officers may assist a school administrator in searching a student's locker and its contents.
4. **Search of Motor Vehicles.** A student will be denied the privilege of bringing a motor vehicle onto school premises unless the student, the owner of the vehicle, and the parent of the student consent to a search of that vehicle when there is reasonable grounds for that search. Franklin Township Community School Corporation reserves the right to enter any vehicle when, in our judgment, that vehicle may contain anything which might be dangerous to the welfare of any student or staff member

OTHER SCHOOL POLICES AND PROCEDURES

TRANSPORTATION TO AND FROM SCHOOL

Bicycles, skateboards, mopeds, scooters, etc. are not permitted at FCJH. Students wishing to travel to school in a format other than a parent's car or an FTCS bus must receive prior approval from administration.

FREEDOM OF EXPRESSION

Every member of the school community, including students, parents, and school staff, has the responsibility to promote regular attendance at school, orderly conduct and behavior, freedom from fear of insult or injury, and maximum opportunities for learning on the part of each student. Freedom of expression may not be used to present material or actions, which tend to be obscene, profane, suggestive, degrading, slanderous, or to defame character, or to advocate violation of federal state, and local laws, or official school policies, rules, and regulations. Students may present complaints to the administration in an orderly fashion.

HOMEWORK POLICY

Research has shown that student achievement rises significantly when teachers regularly assign homework and students conscientiously do it. Parents of Franklin Central High School students may expect students to have homework assigned daily. We believe that students' completion of daily homework must be of highest priority with both parents and students. Students must assume primary responsibility for completion and/or make-up of homework assignments.

LOST AND FOUND

All articles, such as watches, billfolds, purses, glasses and clothing apparel should be taken to the main office and students may inquire about them there. To protect personal items, students are encouraged to leave them (e.g., iPods, Cellphones, Headphones, Ear pods, etc.) at home if possible. Students are responsible for taking appropriate measures to ensure all items are secured during the day. FCHS is not responsible for lost or stolen items

LOCKERS

All lockers are the property of Franklin Township Community School Corporation and are for the purpose of storing supplies and personal items necessary for use in school. Lockers will not be used to store items, which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function (For information on expectation of privacy/ Policy on Search and Seizure see pg. 34, #3). For the safety and security of all concerned, students should not share lockers, or tell combinations to other students. The school cannot be responsible for property stolen from lockers. Each student is responsible for any damages to his or her locker. .

WORK PERMITS

Any young person between 14 and 17 years of age who is employed must secure an employment certificate (work permit). Employment certificates are issued through the Main Office. Students should obtain an Intent to Employ form from your future employer or the Main Office. Return the Intent to Employ form with all information completed and the signatures of the employer, your parent or guardian and yourself. Bring in your BIRTH CERTIFICATE with your Intent if you have not applied for a work permit at Franklin Central before. If your Intent and Birth Certificate are brought into the Main Office before 8:00 a.m., your work permit will be processed the same day. If it is brought in after 8:00 a.m., please do not expect it until the following day. A child may hold more than one (1) employment certificate at a time. However, a child who holds more than one (1) employment certificate at a time is subject to the same total work hour and day restrictions of a single permit. PLEASE NOTE: If you have previously had a work permit, your TERMINATION NOTICE from the previous employer must be received in the main office before a new work permit can be issued. Please remind your employer to mail the termination notice to Franklin Central when you terminate your employment. It is your employer's responsibility to do this. You may, with your employer's consent, hand carry the termination notice to the main office. We

cannot call employers to obtain a termination date. We must have the termination notice to mail to the Department of Labor. Please check the back of your work permit for the appropriate hours you are permitted to work for your age.

The Indiana Child Labor Law (IC. 20-33-3-20) states: “**An employment certificate may be revoked by the issuing officer if the issuing officer determines that there has been a significant decrease in any of the following since the issuance of the permit**”:

- The student’s grade point average
- The student’s attendance at school
-

A minor whose work permit is revoked is entitled to a periodic review, to be conducted not less than once per school year, to determine whether the revocation should continue. If upon review the issuing officer determines that the minor’s grade point average or attendance, or both, have improved substantially, the issuing officer may reissue a work permit to the minor.

The issuing officer may deny a work permit to a minor:

- Whose attendance is not in good standing, as determined by the school; or
- Whose academic performance does not meet the school’s standards.

The denial of a work permit may be appealed to the principal or designee of the school that the minor attends. The work permit may then be issued or denied at the discretion of the principal or designee. A minor may appeal the revocation of a work permit or the refusal to reissue a work permit upon review to the principal or designee responsible for the appointment of the issuing officer. The work permit may then be issued or the revocation continued at the discretion of the principal or designee. An issuing officer who revokes a work permit shall immediately send written notice of the revocation to the minor’s employer.
