Flashes,

As part of our commitment to continuous improvement and excellence, we are embarking on a comprehensive strategic planning process over the next year. To assist us in this process, we have partnered with Education Elements, a reputable organization with extensive experience in educational strategic planning. Our goal is to create a plan that reflects our community's needs, aspirations, and collective vision for the future.

To gain an understanding of the student experience in FTCSC, we will be conducting student surveys in **grades 5-12**. Per FTCSC School Board Policy C225, you have the right to inspect the survey tool that will be used and choose not to have your child participate if you so wish. Additional details regarding the survey, including a link to the survey itself, are below:

1. All questions are optional.
2. Participants may stop the completion of the survey at any time.
3. All responses are anonymous.
4. The survey is administered through Qualtrics.

Survey Questions: <https://bit.ly/FTCSCStrategicPlan>

If you prefer that your child not participate, we respect your decision and ask that you inform your child's principal prior to September 1st.

Thank you for your continued support and dedication to our students and schools. We look forward to working together to build a brighter future for our community.

Thank you in advance for your help,

Dr. Chase Huotari
