Car Rider Line:

Please use the car rider line for ALL drop-off and pick-up. **Students are not permitted to be dropped off or picked up at the front office.** Only drop off at the office after the 8:50 AM bell and walk your student into the building to be signed in as tardy. Students can walk themselves to class.

Picking Up at the Office:

All students not riding the bus or in YMCA care should be car riders. We ask that you not make it a routine to pick up your child in the office at the end of the day. If you need to pick up at days end we require you call at least an hour in advance. We recommend a written note sent in with students. If calls are made minutes before the last bell, we may not be able to accommodate you.

Field trips

Field trips are a valuable part of our curriculum. If a parent is asked to chaperone a trip, it is important to know that siblings cannot attend, pictures of students cannot be posted on social media, and parents must practice close supervision. We ask that adults not talk or text on phones while chaperoning field trips.

When You Have a Concern

Any time you have a question or concern about the school process, we invite you to first gather all the facts from your child and his/her teacher. The classroom teacher should be the first line of communication. Teachers can be contacted via email or voicemail. Please understand that they are busy with instruction during the school day but will make themselves

available at other times.
