

# Bring Your Own Device (BYOD)

## Enrollment Instructions

(Windows)

### Windows Enrollment Steps:

1. Navigate to [enrollment.ftcsc.org](http://enrollment.ftcsc.org) on your device and look through the Terms and Conditions
2. Choose the group labeled “Students”

### 3. Sign in using your computer username and password

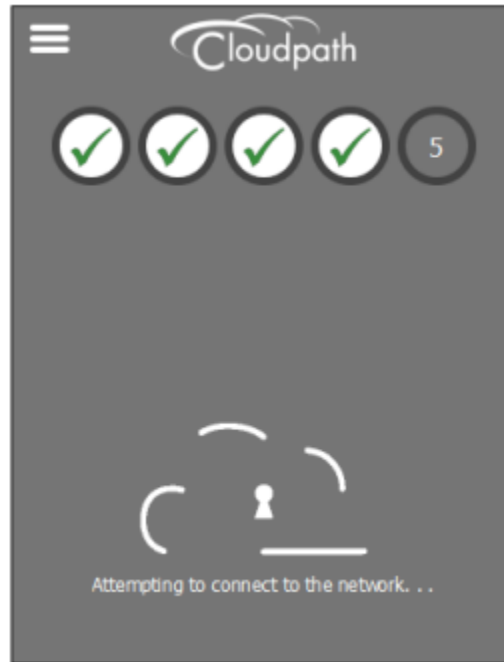

The image shows the Ruckus login interface. At the top is the Ruckus logo with a dog and the tagline "Simply Better Wireless." Below the logo, a message states: "Your username and password are required to access the network." There are two input fields: "Username:" with the text "tstudent2" and "Password:" which is empty. At the bottom, there are two buttons: "< Back" and "Continue >". At the very bottom of the page, it displays "Assistance ID #9FD6" and "localhost.localdomain (3761.5.0.804)".

### 4. Download the Network Wizard Loader

The image shows the Ruckus Network Wizard Loader download page. It features the Ruckus logo and tagline at the top. Below the logo, a message reads: "To access the secure network, follow the instructions below based on your computer's operating system." There is a section titled "Microsoft Windows" which contains a download button labeled "Download for Windows" with the filename "NetworkWizardLoader-925b7e26.exe". Below the button, instructions state: "After downloading, go to your desktop or downloads folder and open the file 'NetworkWizardLoader-925b7e26.exe'." At the bottom of the page, there is a link that says "Show all operating systems."

5. Locate and run the downloaded file. A gray box will open while it connects to a secure network

6. Connect to the network FT-BYOD if not already

That's it! Your Windows device is now enrolled and ready for the 2018-2019 school year!
